ORDER

22
23 This matter comes before the Court upon Plaintiffs' January 31, 2007
24 Complaint for Declaratory Judgment and Request for Preliminary and
25 Permanent Injunction.

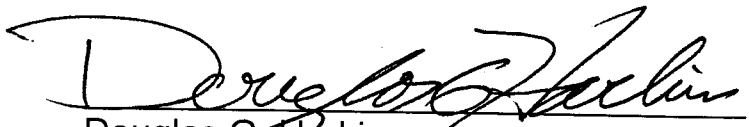

26 The Court's review of Plaintiffs' brief and attachments suggest that there
27 will be few, if any, factual disputes critical to the determination of this case.

1 Accordingly, in the interest of judicial economy and to resolve the essential
2 issues in a timely manner, the Plaintiff is requested to serve the Complaint for
3 Declaratory Judgment and Request for Preliminary and Permanent Injunction
4 on the Defendants as soon as possible and after consultation with counsel for
5 the Defendants, submit a proposed briefing schedule.

6 If the parties identify critical factual issues which require a hearing, the
7 matter will be set for hearing.

8 Plaintiff's request for preliminary injunction is DENIED.

9 DATED this 2nd of February , 2007.
